Thank You Pumpkin Patch Volunteers!!

On Saturday, October 9, over 2,000 pumpkins rolled into the parking lot of First Christian Church, and here waiting was around 35 wonderful volunteers to help build our second annual pumpkin patch. This years pumpkin patch quickly met and passed all our expectations. Before we knew it, we had already reached 1,000 visitors in the patch, had reached last years total amount sold, and were quickly increasing each day. We even had to order another truck AGAIN! Our second truck arrived on Thursday, October 21st at 5:00 pm. Thank you to all who came out on such short notice! We unloaded 524 more large pumpkins to fill our patch back up for the rest of October.

Our pumpkin patch was also visited by 40 Kindergartners from Lincoln Elementary, and 60 kindergartners from Riley Elementary. Kids came to have story time in the patch, color, and to pick out their very own pumpkin.

What a blessing our patch was to this community! One customer said "I am so glad that the church does things like this!"

Keep it up First Christian Church!
